

Emergency Call Volunteers

We are looking for parents to volunteer to make calls "in case of an emergency closing". In the past few years we have not had to use our list, but you never know! You will only need to call if we are closing the school while the children are here. There will be 4 to 5 families assigned to you, that's it! If you helped out last year or are new to the school and would like to help, great! Please sign below and return to school as soon as possible.

Thank you,
Office Staff

I WOULD LOVE TO HELP!
